*Medical matters:*

1) The organizers shall provide first aid for injuries sustained during competition. However, no further responsibility will be taken. All participants must arrange appropriate and sufficient insurance against illness, death and accident.

2) The following are rules regarding doping tests:

1. This Competition is subject to the Japanese Anti-Doping Code and is a controlled competition for the purposes of that code. In accordance with the Anti-Doping Code, participants will be subject to doping control procedures and will be deemed to have consented to such procedures at the time of entry.

2. Minors (persons under 20 years of age) must provide to the relevant competition federation a prescribed consent form consenting to such tests completed by the minor's parents or persons with parental authority.

3. All participants must undergo any required anti-doping tests, irrespective of such tests being urine, blood, or other tests. Failure to take or complete the anti-doping tests will be in violation of the anti-doping rules. Participants must be mindful that where a participant is found to be in violation of the Anti-Doping Code that participant will be subject to sanctions prescribed under those Regulations.

4. Details of the Japanese Anti-Doping Code and doping tests may be found on the website of the Japanese Anti-Doping Agency (<http://www.playtruejapan.org>).
